
role — worship leader

Description

A worship leader chooses and leads the kids in worship and engages them creatively through song.

Responsibilities

- Work with the AMD or club director to select music that matches the lesson themes.
- Choose age appropriate music. (Kid-appropriate songs for kids, more-adult songs for students in Trek and Journey.)
- Mix songs between energetic and quiet. Some leaders choose a quiet song that the kids sing each week before the lesson.
- Teach new songs. Repeat known favorites.
- Play instrumental accompaniment or schedule someone to do so.
- Teach hand motions (when available) to the kids.
